INSTALLER RESPONSIBILITIES

- **This certificate does not constitute authority to install.**
- **Installers working in accordance with the national regulations of a country other than that specified in Block 1 must ensure that their regulations recognize certifications from the country specified.**
- **Statements in Blocks 13a or 14a do not constitute installation certification. In all cases, the technical record for the aircraft must contain an installation certification issued in accordance with the applicable national regulations before the aircraft may be flown.**
